A Chronicle of Campus Events

13 July 2018

From Dean Student Affairs Office

Creating Student Awareness Regarding Campus Sports Facilities

Associate Dean, Student Affairs, Mr. Anirudh has directed the Physical Director and Student Sports Club to visit all departments and create awareness among students regarding the sports facilities, they could avail on the campus.

From the Dept. of Biotechnology

A total number of 51 students from the Department of Biotechnology are undergoing internship in IV/I for a period of six months. Another 82 students are slated to go for internships in IV/II. The organizations /National Research Institutes/Universities/IIT/IISC which have selected our students to undergo

internship in contemporary research areas in Biotechnology are: Nanyang Technological University (NTU) Singapore, Institute of Genomics and Integrative Biology, Delhi, IIT Madras, IISC/Bhat Biotech/Chemwell Biopharma/Bio innovation, Bangalore and Hetero Drugs, Jadcherla.

Faculty Visit to Industries

A team of faculty members from the Department of Biotechnology are visiting institutes on a regular basis, to review the progress of their students, who are currently on internships. This is a wonderful opportunity where students get hands-on experience in industry. Further, this will definitely strengthen academic and industry relations between the two organisations. A few alumni mentors, currently employed with various companies, were invited to appraise the recent developments in Biotech-

nology for orienting the students and helping them with a clear plan of action for the next 4 months they would be spending with various organisations. Professor S. Krupanidhi, HoD Biotechnology expressed his wish that all students would make productive use of the opportunity provided. Some of the prestigious institutions offering internships are ICRISAT, HCU, OU, JNTU, AdvantaSeeds, Agrigenome, CRIDA, IGY Immunologix, AP-TS Forensics Lab, BE Ltd, Shantha Biotech Hyderabad.

News from Registrar Office

New Faculty Joined VU

It is always an exciting time to bring new employees on board. 74 faculty joined VFSTR since 01.04.2018 to till date (i.e.12.07.2018), out of whom 21 hold Ph.Ds, and another 10 have submitted their Ph.D. These and awaiting Viva-Voce, Diversity wise, 18 are from Andhra Pradesh and 4 are from Bihar Chhattisgarh-01, Haryana-02, Himachal Pradesh - 01, Jharkhand-02, Karnataka-03, Kerala-01, Madhya Pradesh -

01, Maharashtra -01, Manipur -01, Odisha -01, Rajasthan -01, Tamil Nadu-21, Telangana -10, Uttar Pradesh -03, Uttarakhand-01, West Bengal -02. These faculty members hail from reputed institutions, 23 from IITs, 6 from NITs, 4 from NIFTM, 6 from IIITs and 35 from other institutions. 16 are Male and 58 are Female staff. In the month of July, alone four new faculty members have joined in MBA department: Mr. Nagendra Kumar with Market-

Internship News

From Dept of Computer Science & Engineering

The Department of Computer Science & Engineering is happy to inform that out of a total of 287 IV Year students, 101 students are undertaking internships in the I-Semester with 21 companies, out of which 6 companies, like Hakate Technologies Gangez, Apex

etc. are providing stipend for about 33 students. Majority of students are undertaking their apprenticeship with companies: ECIL, NIT, Trichy, IIT Hyderabad, 49ers Technologies and Techmologics Innovations Pvt. Ltd

NCC Cadet, Ms K S Pranathi bring Laurels to the Varsity

The Department of Bio-Technology feels proud to inform that one of its students, Ms K S Pranathi, NCC Cadet of 10(A) Girls BN, won rare honour by receiving a Silver Medal during CATC-I conducted by 34(A) BN at Ongole in the recent event on 30th June - 9July 2018.

ing and HR as specialization, Ms. Lakshmi Ramya from NIT, Warangal with HR and Finance specialization, Mr. A. Sai Manideep with Marketing and HR as specialization and Mr. Uday Sharma, who comes with experience as Finance Manager in Axis Bank who has specialization in Marketing and HR. Also, another new faculty member, Rajesh Dwivedi has joined in the Dept. of CSE today. He has a Master of Technology Degree from IIT Dhanbad, and comes with a specialization in Machine

Learning and Image Processing. He has one publication in an International journal.

Division of Dept. of S&H

Based on the suggestion of the UGC Expert Committee, it has been decided to reorganize the Department of Sciences and Humanities into 4 different divisions with a separate Head for each division as below:

For Mathematics - Prof. P.L.N.Varma, Professor ; For Physics Prof. M. Sreenivasulu, For Chemistry Dr. M. Sireesha, For Humanities, Prof. A. Sharada.

News from the Dept. of Mechanical Engg.

Mr. Yagya Dutta Dwivedi, a part time research scholar from the Dept. of Mechanical Engineering working under the guidance of Prof. P. M. V. Rao and Dr. D. Jagadish has made his synopsis presentation on the research title: **Performance and**

stability analysis of bio-inspired corrugated wings on 9th July 2018. He has carried out part of his research work at various aerospace industries, which has resulted in 5 publications in Scopus Indexed Journals.

Procurement of new Machine

A fatigue testing machine which costs around 1.5 lakhs has been installed and commissioned in the Center of Excellence for Composites today. This machine is useful for regular lab practice and also for research activities.

Guest Visit to Library

Director of the EPAM System, Hyderabad Sri. CH. Santhi Kumar visited our NTR Vignan Library along with the Dean Placements Dr. Vijaya Krishna.

Vignan Alumnous Surendra Dev's Poetry Titled "Nadiche Daarilo" Published

Mr. Surendra Dev Chelli from 2012-16 batch of B.Tech, Civil Engineering has published his Telugu poetry titled "NADICHE DAARILU". After the globalisation there had been a huge gap in poetry on the daily routines of an individual when compared to stories. Surendra's poetry have filled that gap by introducing global language style to Telugu Literature. During his course of his B.Tech in Vignan he had written many articles for VOICE OF VIGNAN. Thus fatherly he is carrying his dreams and making them possible. The department of Civil Engineering faculty have expressed their joy of satisfaction for his

success. He had shown his gratitude towards faculty and university by acknowledging all the faculty members at the end of his book.

National Workshop- Biotechnology

The Department of Biotechnology has inaugurated a two-day workshop on "Genome Editing tool-CRISPR CAS9" on the campus today. It was inaugurated by Dr. S. Krupanidhi HoD, Bio Technology, Dr. Vijaya Ramu, Dean Academics along with other faculty members of the department. Prof. Krupanidhi addressed the lecture on "Importance of gene editing using CRISPR-CAS9 technology and also the technology is a targeted tool used to edit genomes with unparalleled precision, efficiency and flexibility". Dr. Vijaya Ramu, Dean Academics addressed students on "Development and application of CRISPR/CAS9 technologies in genomic editing". The Chief Guest of Dr. Abdul Hameed, CEO, M/S Wise Corner Labs, Chennai who has completed his Ph.D from IISc Bangalore de-
