### 2018-19 Report

## **Teaching, Cleaning & Sapling Plantation Programme**

**Date: 28.07.2018**

**Venue: ZPHS Sangamjagarlamudi**

28th July, 2018 in our adopted school sangamjagarlamudi launched an extensive Plantation Program in different parts of in school locality. The 25 students and one teacher have selected the empty places and the roadsides to plant saplings in a well-organized way. The saplings were supplied by the VFSTR, Vadlamudi. In order to restore the eco-balance of the afforestation drive was taken with all seriousness. Anyway, participants were highly enthusiastic to make it a big success. The students planted saplings and fenced them and watered the plants. Every step of the programme was appreciated by the representatives of the administration and the local forest department officials. The program created a great stir among the general public too. At the end of the program the school held a seminar to observe the trees.

**Tree plantation program on 28.07.2018 at Sangamjagaralamudi village and School**

**Outcome of the event:** Students got to know about the importance of tree plantation. With the deforestation, the globalization, temperature, and pollution increase. If everyone plants the trees, then the temperature and pollution may decrease, and the rainfall increases.

### 2018-19 Report

## **AP Skill Development Programme**

AP Skill Development Programme is a joint venture Programme in collaboration with AP Government and VFSTR. The main objective of the Skill India Programme is to provide adequate training in market-relevant skills to the youth. It also aims to create opportunities for the development of talent within the country and improve the overall scope and space for underdeveloped sectors.

Skills development is the process of identifying your skill gaps and developing and honing these skills. It is important because your skills determine your ability to execute your plans with success. Imagine a carpenter trying to build a house.

Key advantages of Essential Skills training: It increases profits, improve performance, improve accuracy and quality, improve communication, comply with regulations, improve recruitment, develop good customer relations.

Community-based APSDC skill development programs for unemployed youth on: Home Electrical training, Computer numerical control (CMC) to design on Lathe, Computer-Based Tutorials (CBT) for videos and animations, Training on gas and arc welding, Training on Home and Office Electronics, Training on Refrigeration and Air Condition (R&A/C)

**To create opportunities for the development of talent within the country and improve the overall scope and space for underdeveloped sectors.**

**BLOOD DONATION CAMP**

**Date: 28.07.2018**

**Venue: VFSTR**

As a part of Chairman Sir's birthday, the UEAC unit of VFSTR organized a blood donation camp on university campus at the library, pharmacy and U block's on 28.07.2018 Blood Donation Camp by the UEAC Wing from 8:30 AM to 4:00 PM. On this occasion, Vice-chairman, Sri Krishna Devarayulu and UEAC Program Officer, Dr. K. V. Krishna Kishore was participated and encouraged the students to participate in many events to have an understanding of societal real-time problems. 50 UEAC volunteers and 15 faculty actively participated and motivated the donors. The honourable Vice-Chancellor, Dr. YVS Prasad expressed his happiness towards the bubbling response of the students in participating in the event. The students have made the blood donation camp a grand success. Every time like this time also there is a huge response it is about 454 members have donated the blood during the event; it was conducted at various blocks on the campus: Pharmacy Block (125), 'U' block (97) and the library block (232) the event is embarked with lots of joy and willpower.

Inauguration of the "Blood Donation Camp" by the UEAC Program Officer, Dr. K V Krishna Kishore.

Registrar of the VFSTR, Cmde. Dr. MS. Raghunathan addressed the blood donors.

## **JAGHANNADHA RATHA YATRA PROGRAM**

**Date: 02.08.2018**

**Venue: Tenali**

On the auspicious day of **Sri Krishna Radha Yatra**, VFSTR, Deemed to be University, the UEAC (University Extension Activity Council) extended its helping hand to the organizers, Iskcon group. The event successfully conducted at **Tenali on 02.08.2018**, under the guidance of Dr. K.V. Krishna Kishore, the UEAC Program Officer and Mr. P. Anandha Kumar from IT dept. The Ratha Yatra took Jagannath, Baladev, and Subadhra in a palanquin through the roads of the town starting from Nazerpet - ISKCON reaching Shivaji Chowk. Volunteers were assigned to control the people for completion of the rally in a peaceful way. Some volunteers were allocated the responsibility of guiding the vehicles without troubling the traffic and some other volunteers distributed ISKCON prasadam to all the public.

Volunteers were involved in various activities like distribution of the food, controlling traffic, pulling the palanquin; supplying water for the thirsty Public; serving food, Kolatam and some other miscellaneous works needed. Traffic Police appreciated VIGNAN Students for traffic control by HUMAN CHAIN.

All the 54 volunteers participated actively and made the auspicious day more delightful. In this way, the event ended with a lot of energy, devotion, and willpower. Our VFSTR University has provided the transportation facility for the volunteers.

## **Blood Donation Camp on The Occasion of Republic Day**

**Date: 25.01.2019**

Giving blood saves lives. The blood you give is a lifeline in an emergency and for people who need long-term treatments. Many people would not be alive today if donors had not generously given their blood. A blood donation occurs when a person voluntarily has blood drawn and used for transfusions. A blood transfusion can be a lifesaving treatment for patients with cancer, patients undergoing surgery, children with severe anaemia, women who have complications with their pregnancy, and accident victims. Today in the developed world, most blood donors are unpaid volunteers who donate blood for a community supply. By donating blood there are many benefits like burning calories, better blood flow, and balances iron levels. So by considering all these needs and advantages our university conducted a **BLOOD DONATION CAMP** making **70th Republic Day** as occasion, in the university premises at Library on 25<sup>th</sup> of this month. It had been a great event which was organized by the University Extension Activity Center (UEAC) Volunteers with the help of NEEDS BLOOD BANK from Guntur under the guidance of UEAC Program Officer Dr. K.V. Krishna Kishore. On this occasion, Cmd. Dr. M.S. Raghunathan, Registrar, and Dr. K. V. Krishna Kishore, Dean-IT Services inaugurate the camp. The students from various branches had taken an active part in the event and made the event successful. Nearly 221 students donated their blood for a big cause.

**Conduct Blood Donation Camp on 25.01.2019.**

**Energy Conservation Awareness at Chebrolu.**

**Date: 09.02.2019**

**Venue: Chebrolu**

The UEAC unit of VFSTR conducting awareness program on energy conservation at Chebrolu village. Total 25 student volunteers from EEE department were conducting this event. Energy is very important in the entire process of evolution, growth and survival of the world. The increasing energy demand has an adverse effect on the environment and also an increasing pressure for a government. For a developing country like India, the energy criterion decides the growth of the country. Being the third largest power producer in the world, energy demand and scarcity rules the country. Energy demand in our country is increasing exponentially. Energy conservation can be the best solution for the raising energy demand. Energy conservation is reducing the energy consumption by using less of an energy service. One of the important ways of to improve the energy conservation is energy audit. Energy conservation without compromising the usage is a great task. The paper focuses on the importance of energy conservation by considering the loads of a class room of an educational institution and considering the energy consumed by the present loads and recommending energy efficient appliances and an efficient yet simple sensor based model to reduce the energy consumption and comparing the results.

**Organ Donation day in govt. school**

**Date of event conducted: 16.02.2018**

**Venue: Tenali**

The event was held on 16.02.2018 i.e., on Friday at Sri Chaitanya and Narayana schools, Tenali. The UEAC team of ECE department carried out this event under the guidance of Mr. Manikandhan department coordinator. The event was started at from 10:00 AM and continued till 11:00 AM. 30 student volunteers in the team took permission from the principals of the concerned schools, interacted with students and started the session about the organ donation.

The Session was started by explaining the importance of Organ donation and the process in society. Later we explained to them which organs they can donate, how the organ functions after removing it from the body, and what is the maximum period that the organs can function. And also we discussed the real-life stories of organ donors. Student's interaction with us was also pretty good. We have asked them to create awareness to their parents and neighbors of their locality.

**Awareness on the importance of Organ donation.**

**Outcome of the event:** Students got awareness on the importance of Organ donation i.e., which organs they can donate, how the organ functions after removing it from the body, and what is the maximum period that the organs can function. We have asked them to create awareness to their parents and neighbors of their locality.

## **SWACHH BHARATH SUMMER INTERNSHIP PROGRAMME: 2018**

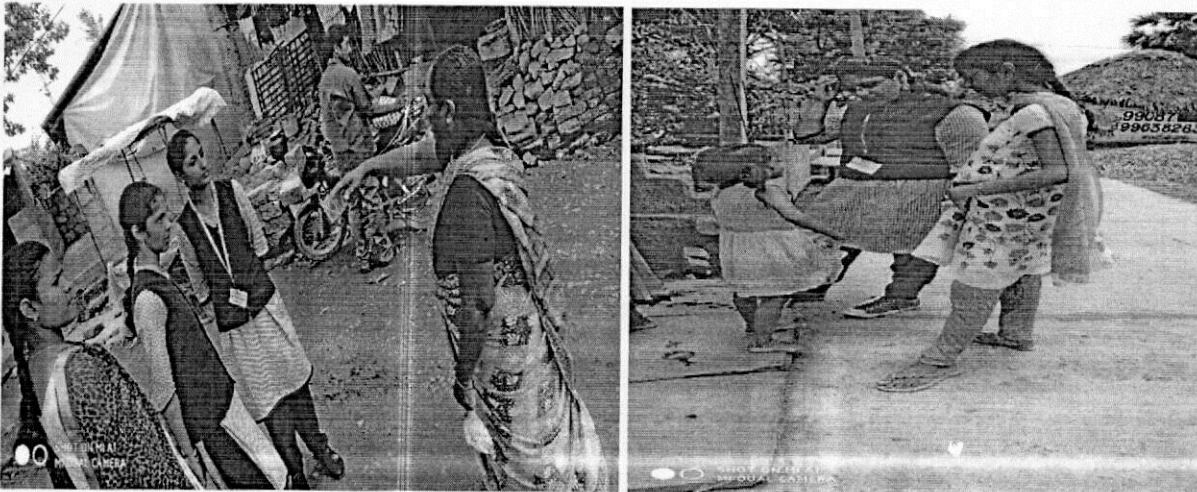

Dates: 13-06-2018 to 31-07-2018

“A clean India would be the best tribute India could pay to Mahatma Gandhi on his 150 birth anniversary in 2019”, said Shri Narendra Modi as he launched the Swachh Bharat mission at Rajghat in New Delhi.” This campaign aims to clean up the streets, roads and infrastructure of India’s cities, smaller towns, and rural areas.

On 2nd October 2014, Swachh Bharat Mission was launched throughout length and breadth of the country as a national movement. While leading the mass movement for cleanliness, the Prime Minister exhorted people to fulfil Mahatma Gandhi’s dream of a clean and hygienic India. Shri Narendra Modi himself initiated the cleanliness drive at Mandir Marg Police Station. Picking up the broom to clean the dirt, making Swachh Bharat Abhiyan a mass movement across the nation, the Prime Minister said people should neither litter, nor let others litter.

Volunteers have planned different events in the selected villages like Awareness Campaigns, Nutakkad Nataks, Swachhatha Melas, Door-To-Door Meetings, School Level Rallies and Street Cleaning And Waste Cleaning Drives.

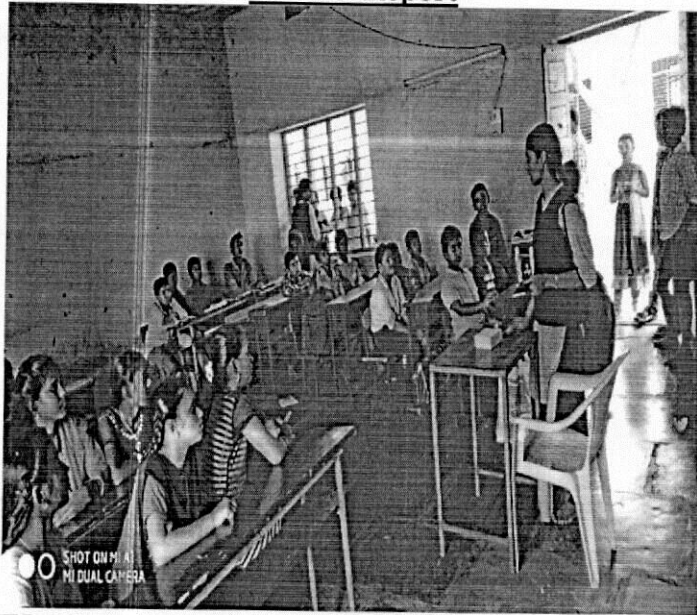

**AWARENESS CAMPAIGNS:** In the village we found very unhygienic things where the whole garbage of more than two streets was thrown in an open area and that too which will be cleaned only once a week. We’ve talked to people and explained the consequences they’re going to face if they continue in the same way without being hygienic, throwing garbage in front of their houses. Some realized and accepted their fault and tried their best to keep their surroundings clean.

**NUTAKKAD NATAKS:** we’ve played a skit for children regarding swachh bharath to make them which will intensifies them than our words so that even they could be more involved in that.

**University Extension Activity Center (UEAC)  
2018-19 Report**

**SWACHHATHA MELAS:** we've campaigned in the village and made people to know the purpose for what we've come and the need to know about the harm caused due to unhygienic things like open defecation, being untidy and gave them suggestions of keeping their surroundings clean...etc

**DOOR-TO-DOOR MEETINGS:** In these meetings we have knocked many doors and talked to many people, they've thanked and appreciated for our voluntary service. Some explained their problems and requested us to take them to the panchayath secretary's notice. We've also talked to the secretary and even from her we got a positive response, she made the open garbage area cleaned by the next day.

### 2018-19 Report

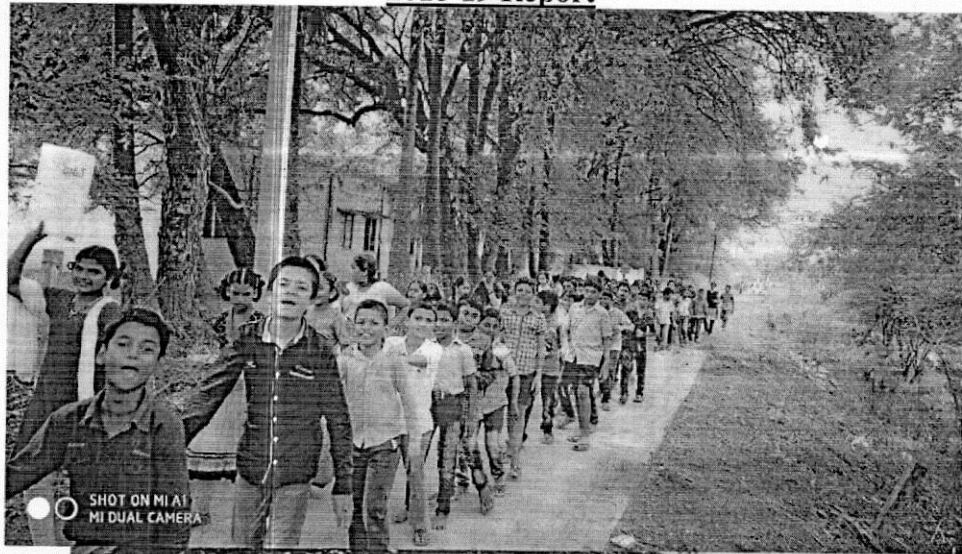

**SCHOOL LEVEL RALLIES:** With the permission of the principle of government high school Garuvupalem we've took more than 100 students for rally along with their teacher. Those students actively participated in the rally. All of us did rally in the streets with a slogan **okka adugu swachhatha deesaga** and sensitized students, made them to know about the importance of cleanliness. We've also requested the students to pass and spread it's importance

**STREET CLEANING AND WASTE COLLECTION DRIVES:** this is the last part in which we've cleaned the roads where the garbage is spilled on to the roads and collected the waste into the trash bags provided. While we're doing this villager's felt guilt asked us for not to do this but helped us and took a little bit care without repeating it again.

After streets cleaning we've collected the waste, we've complained about the irregular garbage collection. We've seen the result very fastely. When we go there it was cleaned by the next day, we felt happy. Villagers thanked and appreciated us for our awareness programme and voluntary service. Apart from all these when we conducted rally while leaving, students themselves were sensitized and thanked us for teaching them to be clean. It gave us a lot of satisfaction. Our Swachh Bharath internship is completed but not our attachment with that area even after this we're thinking to set up a dustbin with our college support and continue our relationship and still whatever we can do. Really this is a good opportunity where we find many things which can't be known by education.

Earth is the abode of varied no. of species of plants, animals etc. with a vivid diversity it is the only planet known to us which supports sustains life. This is only due to nature and and its unanimous gifts. But we the mankind underestimate it and pollute it and add burden of debt to ourselves. So to continue our run in this life we must conserve and work to protect our environment

**Lauh Yatra**

**Date of event conducted: 16.10.2018**  
**Venue : VFSTR , Time: 2.00PM to 4.00PM**

The main vision of Lauh Yatra is “**FOOD SAFETY AND HEALTHY DIETS FOR ALL**” and the theme of this yatra is “**Eat Right India**”. Swasth Bharat Yatra, a Pan India Cycle rally, is inspired by Mahatma Gandhi's Dandi March and 'Salt Satyagraha' of 1930. Through his tireless yatras, Mahatma Gandhi led the nation towards freedom from Colonial Rule. This yatra would also lead the nation towards freedom from diseases by cascading the message of Eat Right India to every corner of the country. NCC cadets and ANOs participated actively in this yatra.

**Conducted Lauh Yatra by the NCC Unit in VFSTR premises**

**Outcome of the event:** 31 NCC cadets and 2 faculty involved in the event. By this event, the students got to know about the importance of food in our life and not to waste food.
