Re: Letter of Intent /Pre-Contract for Proprietary Software Development

Dear **Mrs.S.Radha Rani**,

This Letter of Intent summarizes the principal terms and conditions of the proposed Agreement between DVTECH Services Pvt, Ltd, and Vignan's Foundation for Science, Technology, and Research. Deemed to be University (hereafter "Developer"), referred to jointly in this document as the "Parties." Subject to the conditions set forth below and to the successful negotiation and execution of a definitive agreement (the "Agreement"), which will fully reflect the understanding and agreement of the Parties, the Company and Developer intend to consummate the following Letter of Intent :

Nature of Proposed Agreement

The Company intends to engage Developer to provide development services to produce a "Guntur mirchi Information" as a module to the current Software as a Service offerings of the Developer (the "Product"). The Top Level Design for the Product and its target platform are attached to this letter in attachment "A". The Parties agree to make every effort to complete the Product according to the Development Schedule.

The development services will be provided by Developer basis for a fixed Development Fee, which is Rs. 73,000/ (Fifty Five Thousand only) The Parties acknowledge that a Detailed Design for the Product (Functional Specification) and a Development Plan based upon that design need to be completed in order for the execution to occur and that ultimate value is only realized when the Product is finally completed. Project should be complete on or before 79 days.

The Parties, therefore, agree to develop the Product in Phases.
