Sub: Sanction of project amount for "Evaluation Of Entrepreneurs Challenges in Construction Industry – A Model Study using Risk- Based Approach"– Reg.

Dear Sir,

On behalf of the administration, I am pleased to inform that the committee has approved to sanction Rs. 16,000/- (Sixteen Thousand only) as the budget-in-aid for the project entitled "Evaluation Of Entrepreneurs Challenges in Construction Industry – A Model Study using Risk- Based Approach". The maximum duration of the project is not more than 54 days.

The same will be released to Vignan's Foundation for Science, Technology and Research, Vadlamudi for the successful completion of the project.

Please adhere to the following regarding the project

- i. Project should be executed within the agreed time period.

**Re: Letter of Intent /Pre-Contract for Proprietary Software Development**

Dear Dr. T. Maruthi Padmaja:

This Letter of Intent summarizes the principal terms and conditions of the proposed Agreement between DVTech Services Pvt, Ltd, and Vignan's Foundation for Science, Technology, and Research. Deemed to be University (hereafter "Developer"), referred to jointly in this document as the "Parties." Subject to the conditions set forth below and to the successful negotiation and execution of a definitive agreement (the "Agreement"), which will fully reflect the understanding and agreement of the Parties, the Company and Developer intend to consummate the following Letter of Intent:

**Nature of Proposed Agreement**

The Company intends to engage Developer to provide development services to produce an "Online Maintenance of AOI-AP Organization" as a module to the current Software as Service offerings of the Developer (the "Product"). The Top Level Design for the Product and its target platform are attached to this letter in attachment "A". The Parties agree to make every effort to complete the Product according to the Development Schedule.

The development services will be provided by Developer basis for a fixed Development Fee, which is Rs. 20,000 /-. The duration of the project shall not exceed by 14 days.

The Parties acknowledge that a Detailed Design for the Product (Functional Specification) and a Development Plan based upon that design need to be completed in order for the execution to occur and that ultimate value is only realized when the Product is finally completed.

The Parties, therefore, agree to develop the Product in Phases.
