UTSAV

Date: 01.04.2017

Annual Day celebrated on Campus with pomp and pageantry: SCHOLARSHIPS WORTH RS. 62 Lakhs; Fee concession to the tune of Rs. 7.7 crores to meritorious students Vice-Chancellor P. Apparao from University of Hyderabad called upon students 'to set high goals and strive to achieve them' addressing our students as part of 'Vignan Utsav' celebrations. He advised should not aim for jobs, but should focus on creating job opportunities. He stated that Vignan has been one among the top universities in our country creating a safe and calm learning environment on campus for the students. Andhra Pradesh State Road Transport Corporation (APSRTC) Vice-Chairman and Managing Director M. Malakondaiah said students should look beyond scores in exams and imbibe the values taught in their schools and colleges. He said that 'there was a huge gap between what was taught to the students and the need of the industry, and said the objective should be to develop students into rounded personalities.' In his awe-inspiring speech to the august audience gathered in large number, our Chairman told that 'Annual day is an occasion for any institution for 'Exhibiting talent in Music, Dance etc through student performances. To add entertainment and refreshment to the event several cultural performances were given by the university and appreciation certificates were distributed to merit students, NCC and NSS students.

FAREWELL

Date: 30.03.2017

Rewinding and Replaying Happy Memories

Our chairman always enlightens all of us to give a grand closure to the final year students by arranging a mega farewell to them.

He said, we must always have old memories and young hopes. It's what a farewell function always does.

Farewell-2017 on our campus took place for 1014 students from engineering and management streams on 30th March, 2017.

The programme started with a few cultural programs setting happy mood in the hall.

It was followed by the speech of our beloved Chairman, Dr.L. Rathaiah. Chief Guest, Sri. M. Srinivas Reddy, Senior Manager, HR, Prokarma Soft Tech Pvt Ltd, Hyd advised the outgoing youth 'not to waste their time on social media during working hours.

STUDENT ACTIVITIES COUNCIL

MEHANDI

Venue : H-Block OAT

Date: 23.03.2017

Mehndi (also called **Mehandi**) is the traditional art of painting the hands, feet or dot on the palm. As a part Utsav 2k17 mehendi competition was held in vignan university on 23.03.2017. This event saw huge turn up where more than 27 pairs turned up. The highlight of the event was that there were equal number of male participants as the female participants involved. This breaks the myth that mehendi is limited only to girls.

The Competition was judged by Ms.N.Jalaja from Biotechnology Department. The winner of the event was Jenith from III CSE and the runner was SD. Rahaman from II CSE.

INSTRUMENTAL SOLO

Venue : H-Block OAT

Date: 24.03.2017

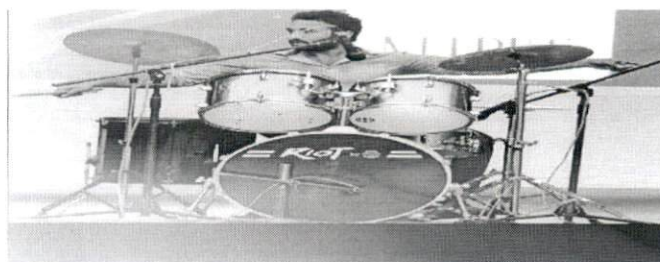

Music is an art form and cultural activity whose medium is sound organized in time and the solo of such music is instruments. As part of Utsav 2k17, an instrumental solo competition was held on the campus. Many of the students turned up as part of the competition on 24th march 2017 and performed in various genres. The competition saw the students perform on various instruments like Guitars, Tabla, key board and more. Participants were judged by an external Judge.

Winners: Sangeeth (Drums)

Runners: Joseph and Jacobs

GROUP DANCE

Date: 27.01.2017

It is rightly said 'Dance is the hidden language of the soul.' When we try to translate the vitality of our life energy into fluid moves, we dance. Every dance performance is unique as every dancer is a unique being throbbing with life. With the aim to put forth this hidden language of our soul Group Dance Competition was organised by Vignan University in 27 Jan 2017. The spectators bore witness to the enthusiasm and energy as they enthralled everyone with their performances. The adjudicator, Ms. Geethanjali, complimented the efforts put in by the participants. The event culminated with the announcement of winners and runners.

PUPPET SHOW AND SAMYUKTH BHARATH

Date: 26.01.2017

Puppet shows engage students in a variety of smaller creative tasks that make up the larger project. Students write a script and design and create the entire show, making this task both literacy and arts focused. Students also work together, combining their ideas and taking on different responsibilities within the group. Finally, they must use critical thinking skills and innovation to convey what they have learned about the content and anti-bias principles in their production. Along with the puppet show, samyukth Bharath was organized in the form of rally and all the students took pledge for maintaining the secularity.

REPUBLIC DAY

Venue: H-Block OAT

Date: 26.01.2017

The 68th Republic Day Celebrations started with all the guests participating in a rally from the main gate to the flag hoisting venue at the H-Block. Students celebrated the day with great gusto, as they went about distributing national flags to all students and faculty. After the flag hoisting by the Chief Guest, the varsity's NCC student battalion made an impressive presentation of the march past. The Chief Guest, Dr. M.Y.S. Prasad, former Director, ISRO & Director, SDSC SHAR, Sriharikota greeted the university students and exhorted them to do their bit for the country. He also gave away certificates to the cadets and academic toppers. The Vice Chancellor, Rector, Registrar, all Deans, HoDs greeted the gathering and wished them to take the national pledge of service to the nation.

The Music club, theatre club and the dance club left every audience in a spell with their beautiful performances. The event was called off by singing the national anthem.

Chief Guest Dr MYS Prasad addressing the gathering on the occasion of Republic Day

Srujanankura 2k17

The student's Technical Festival of Vignan University, called **Srujanankura**, was conducted during 26 – 28 January 2017 at the University. The aim of the event was to inculcate the skill development initiative, envisaged by Hon. Prime Minister of India. The event was planned with live project demonstrations, paper presentation contests, quizzes, workshops and lectures in collaboration with academic institutions and industries. The fest was planned under the broad main themes viz., Internet of Things (IoT), Embedded Electronics, Robonical, Environment and Biosciences and Shark Tank. Many industries like, Key Sight Technologies, Spoons Technologies, CallHealth, etc. participated in the event by way of exhibitions, technical competitions and lectures.

The event was inaugurated by Dr. Sivathanu Pillai, former CEO and MD, BrahMos Aerospace. Dr. M Y S Prasad, former Director of SDSC-SHAR, Sriharikota was the Guest of Honour. Dr. Pillai inspired the youth by commanding to activate and ignite the minds with new ideas, unleash the energy with conviction and dynamism and transform India in to a great power. The guests also delivered special lectures on missile technologies and space applications, which stimulated the youngsters.

In the three day event, eight special lectures were arranged by various industrialists. Mr. Tirumala Rao Bokka, CTO of Spoons Technologies, Mr. Mahadevan Swaminathan, Call Health, Dr. Ravi Sankar, former Deputy Director of CFTRI were some among them. A total of 66 technical events were organized under the themes, spread across nine departments. More than 4500 students participated with event registration exceeding to 11500. More than 300 live project demonstrations were present during the event. The events attracted many students from various parts of south India. Nearly 70 colleges, including IIT Bombay participated in the event. The three day event proved to be a real challenging platform for the students to compete and scale themselves with their mates from various Institutions.

The valedictory function was graced by Hon. Speaker of Andhra Pradesh, Dr. Kodela Siva Prasad Rao. In his valedictory remarks, he pointed that necessity has bred innovations across the world. Innovative spirit should be kindled among the students, for which fests like Srujanankura would bring the best from the students, he added. Ms. Kiranmai Dutt Pendyala, Corporate Vice President, AMD Greater Asia was the Guest of Honour, who electrified the dynamic youth to charter a brilliant career as leaders in Industry.

There was attractive prize money for all the competitions. Innovative start-up projects were also evaluated during the tech fest, which was highly appreciated by the panelists during the judgment. A series of international lectures by leading academicians and industry people were also part of the event, where they interacted with the students through Skype. Cultural programmes, executed by the Student Activity Council of the University, in the evening time, was icing on the cake. A food carnival, with variety of food items were also arranged to cater to the visitors. A total of 12.5 lakhs were collected as sponsorship and event registrations. Appreciable publicity in the print and electronic media was witnessed for the event.

The event was sponsored by Companies like Y Screens Entertainment India Pvt Ltd., Key Sight Technologies, IDP Consultants, Princeton Review etc. The tech event proved to be a grand success with the corporation from all corners. The student core team, under the guidance of faculty

members worked hard to make the fest a memorable one. The enthusiastic crowd gave a very positive feedback on every aspect of the conduction of this technical fest. The event thus was an enthralling experience for the young graduates to update the skills and march ahead in the nation building motto of Skill India.

ASHTAVADHANAM

Date: 14.10.2016

For 4th Convocation Dr Medansani Mohan, Pancha Sahasra Avadhani was invited as the guest and Vignan had the honour of his presence in the university. Ashtavadhanam was organized in the Convocation hall. Dr. Medasani Mohan - is referred to as 'Apoorva Pancha Sahasravadhana Sarvabhouma' for having performed the unique literary feat pancha sahasra avadhanam (with 5000 Prucchakas). He was the first to perform Sahasravadhanam. Dr. Mohan has performed over 1000 Astavadhanams, 16 Sathavadhanams, 40 Dwigunitha Avadhanam, 45 Chaturgunitha Avadhanams in India and abroad. Avadhānam is a literary performance popular from the very ancient days in India. Avadhānam originated as a Sanskrit literary process and is revived by poets in Telugu and Kannada in modern times. It involves the partial improvisation of poems using specific themes, metres, forms, or words. The true purpose of an Avadhanam event thus is the showcasing, through entertainment, of superior mastery of cognitive capabilities - of observation, memory, multitasking, task switching, retrieval, reasoning and creativity in multiple modes of intelligence - literature, poetry, music, mathematical calculations, puzzle solving etc. Keeping the Indian Values motto Astavadhanam was organized in the Vignan premises. The event concluded with the felicitation of all avadhani's.

ENVIRONMENTAL AWARENESS CAMPAIGN

29.09.2016

Environmental awareness is to understand the fragility of our environment and the importance of its protection. Promoting environmental awareness is an easy way to become an environmental steward and to participate in creating a brighter future for the upcoming generation.

To promote this awareness in our university, an environmental awareness campaign has been setup on 12-9-2015. Numerous resources are being promoted in our university in aspect of environmental awareness like group learning, informational and inspirational seminars and also environmental subjects that are present in academics are the tools that make students involved in promoting environmental awareness.

During this environmental awareness campaign, honourable chairman, Dr.Lavu Rathaiah has said, environmentalism is an ideology that evokes the necessity and responsibility of humans to respect, protect and preserve natural world from its anthropogenic afflictions. By teaching our friends and family that the physical environment is fragile & indispensable we can begin to fix the problem that threatens it. He also conveyed that, becoming environmentally aware we can spread its importance and urgency to our community, friends and family.

Issues that bring environmental complications are oil drilling, deforestation, production of plastic growth and many more. These complications will come to limit only when an individual takes a responsibility to keep constant levels of anthropogenic afflictions and spread awareness among the society. Hence, being a student and also as an individual to this world it's our responsibility to create beneficial projects and to find the causes to be apart from it. Vignan university has promoted a campaign for the students well, also to teach the world and to bring awareness such as to walk to cut down the green-house gases, buy reusable

TREK TO KONDAPALLI

Date: 22.09.2016

The heritage club of Vignan University organized a trek to Kondapalli. It was an enthralling experience for all the students. The fort is located to the west of Vijayawada city in the main hill range known as Kondapalli in the Krishna district. The hill range, about 24 kilometres (15 mi) in length, extends between Nandigama and Vijayawada. The forest area in this hill range abounds in a type of lightwood known as 'ponuku' పొనుకు కట్ట (Gyrocapus jacquini), which is used exclusively for the manufacture of the famous Kondapalli toys. 45 students along with Mr M Anirudh went to Kondapalli. They explored the various areas in Kondapalli and explored the Kondapalli fort.

ENGINEER'S DAY

15.09.2016

“Scientists dream about doing great things but Engineer's prove it by enhancing them”

The event has started at 12:09 pm which was hosted by Easwar and Deepika, they initiated the event by giving a description about the role of engineer and the importance of engineering day. Then a welcome song was sung by the members of music club followed by a welcome dance performance by the members of dance club.

There after, the dignitaries were invited on to the dais & lamp lightening was done by the chief guest as an honour. Next, respected Vice Chancellor Dr. C Thangaraj addressed the gathering by giving a speech on the importance of engineer's to the world, biography & also the achievements of Padma Sri. Moksha Gundam Vishweswarayya, later on chairperson Dr. Lavu Rathaiah addressed the gathering and suggested students of University to be the most elegant & creative engineers, also he made a talk on the achievements made by both of the scientists over the dais i.e., honorable chief guest Dr. Vinod Sood & respected Vice Chancellor Dr. C Thangaraj & suggested students to get advices from vice chancellor for their project development & academics.

Then chief guest profile was given by Lakshmi Gummadi, followed by a speech given by honorable chief guest. He presented his talk on the required development of technology & engineer's in this world followed by the stepwise development of Moksha Gundam Vishweswarayya in technology and inspirational aspects of him such as, his dedication towards government & work. Then the chief guest was honored by the dignitaries on the dais.

Further Dean Engineering & Management addressed the students, later all the Dean's & Head of Departments were honored by the chair person, followed by awarding the faculties from various departments for various perspectives. Winners & runners of Technical quiz, Project expo & NCC cadets were awarded certificates from honorable chairperson.

At last, National Anthem was sung by the members of musical club. Finally the event ended by a Vote of Thanks at 1:24 pm.

STUDENT ACTIVITIES COUNCIL

FRESHER'S DAY

Venue: Convocation Hall

Date: 15.09.2016

The fresher's day celebrations began at 2:00pm on 15th September as per the schedule. The members of the student activities council along with Dr.V.Madhusudhan Rao, Dean engineering and management welcomed the chief guest, **Sanjay I.P.S** who is now serving as inspector general for police (coastal zone). He completed his diploma and B.tech in mechanical engineering and got selected into Indian police service in 1999 at the age of 29.

The event began with a musical performance by members of music club. Mr.Sanjay, speaking on this occasion said "there will always be two ways for any human and these two ways are very important in a student life. When I completed my education I never thought of preparing for civils suddenly the session of customs commissioner motivated me and choose IPS as my career but I took 30 months for me to achieve it but this 30 months I left all by hobbies and habits and I used to live with the sounds of the waves of Bay of Bengal. This was a turning point in my life like that every student will have a turning point at any time whether it might be this session (as happened to me) so be aware to catch it and become a role models." And then he also sang a song which became the center of attraction and activated the spirits of students after lunch.

The program was then carried out by dance, music, artistic performances which boosted the students, the main perspective of these performances is not only to entertain freshers but also to bring out the innate talents hidden in the students

These performances were followed by prize distribution that has taken place for half an hour for NSS, NCC and for sports events like volley ball, throw ball etc.,

The program wound up by 6:30pm. This 4 and a half hours' program had been completely successful in bringing out new talents and making a friendly environment for the newbies.

TEACHER'S DAY

Venue: Sangamam Seminar Hall

Date: 05.09.2016

In India, 5th September is celebrated as a Teachers day a mark of tribute to the contribution made by teachers to the society.

5th September is the birth anniversary of a great teacher **Dr.Sarvepalli Radhakrishnan**, who was a staunch believer of education, and was a well-known diplomat, scholar, the President of India and above all, a teacher .When some of his students and friends approached him and requested him to allow them to celebrate his birthday, he said, "instead of celebrating my birthday separately, it would be my proud privilege, if 5th September is observed as "Teachers day". From then onwards, the 5th of September has been observed as Teachers Day, in India.

The teacher's day celebrations started at 4:00pm where the faculties from all the departments were present. Our chancellor professor Ramamurthy Naidu, vice chancellor Dr.C.Thangaraj, Registrar M.S.Raghunathan, Dean Student Affairs Dr.M.S.S.Rukmini, Dean engineering and management Dr. Madusudhan Rao was present in the Teachers day celebrations. The Chancellor, professor, Ramamurthy Naidu, addressed the gathering and talked about the importance of teaching. He mentioned that teachers are highly respected in the society and they mould the students and are responsible for keeping the students path. Morals and ethics play a greater role in the society where they are taught by faculty.

After the Chancellors speech, we moved on with the distribution of prizes of our faculties in sports and other events conducted by sports council and student activity council where the participants count exceeded 100. The event ended with the vote of thanks where all the faculties left the seminarhall .
