Circular

To commemorate the **Raman Effect** by the great Indian physicist, **Sir Chandrasekhara Venkata Raman** in the year of 1928, National Science Day is celebrated every year at VFSTR and all over India. This year, we are going to celebrate the National Science Day on 28th February 2020 in our campus. The Government of India announced the theme for the National Science Day for this year to be "Women in Science" to highlight the contributions of women scientists in Indian Science.

In this regard department of Sciences and Humanities is going to conduct the following competitions for the students and the schedule has been given below. Further, students are hereby informed to register their names with the concern coordinators. In addition, we are happy to share that Dr. Brahmananda Rao, Indira Gandhi Centre for Atomic Research, Kalpakkam, Chennai is the guest of honor on 28th February, 2020 program.

SELECTION PROCEDURE

Step I: Nomination from Section:

- Nominations will be taken from the students from each section. If there are more than two nominations from each section then the class coordinator along with the counsellors of that particular section will select two students from the particular section. It is to be made sure that two students are representing from every section.

Step II: Answering the Questionnaire for short listing:

- The selected students from all the sections should answer the series of questions given to them based on which their knowledge of handling the responsibility of a particular post is assessed.

Step III: Short listing:

- All these applications from the nominees will be scrutinized by the Faculty Advisory panel (BoSA members) and the candidates will be shortlisted based on their credentials submitted. The list of shortlisted students in all the categories will be displayed.

Step IV: Presentation before the panel:

- The shortlisted students have to present themselves showcasing their credentials before the selection panel and the selected students from all the sections for final selection.

Details of recruitment process:

- The student will be recruited for a post by the panel looking at his/her public support as well as his/her credibility.
- The student will be graded on a scale of 10 at the end of the process and whichever candidate gets the highest score will be selected for the respective post.

The weight-age for several factors considered to scale of 10 is as follows-

- 40% of weight-age will be given to the percentage of votes secured by the candidate from student gathering.
- 60% of weight-age will be given to percentage of votes secured by the candidate from the panel members(BoSA members).
- These factors are considered and summed up to a scale of 10.
- Candidate with highest score will be announced as the Office bearer for the post.

Finalising the score to 4 from voting by students:

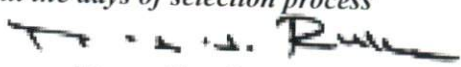

- The student gathering comprises of :
- (Two selected students from all the sections (a) – shortlisted candidates (b))
- **Electorate : (a-b)**
- The percentage of votes obtained by the contestant will be scaled down to a score of 4.

Finalising the score to 6 from voting by panel:

- Panel comprises of BoSA members from all the departments.
- The panel will consider several criteria and evaluate every individual on the criteria listed, and then the panel members together will finalise the results.
- The percentage of votes obtained by the contestant from panel will be scaled down to a score of 6.

Finally the scores from both the phases of election process will be added and the candidate will be awarded the result on a **10 point scale**.

All the Shortlisted students for selection should attend for all the days of selection process
