

Action Taken Report on the feedback obtained in AY 2019-20

B. TechPetroleum Engineering

10/06/2020

Stakeholder	Comments/Suggestions	Action Taken or Suggested
Alumni	Add minor projects with subjects	More emphasis will be provided to enable hands on experience for the students
	Provide GATE coaching class	As usual GATE classes will be conducted
Student	Industrial visits should be organized at least once in a semester	Students will be provided the opportunity to visit industry at periodic intervals
Employer	Syllabus is well designed	-----
Faculty	New Lab equipment required for Drilling fluids and Reservoir lab	Will accomplish it in the next 6 months
