## ABOUT THE INSTITUTE

Vignan's Foundation for Science, Technology and Research is the flagship institution of Vignan Group of Educational Institutions, is a NAAC 'A' accredited institution. Located in serene environs of Vadlamudi on the Guntur-Tenali highway, VFSTR with its sprawling play grounds, campus greenery and imposing academic blocks, is a virtual haven of rural quiet and idyllic beauty. Since its inception in 1997, the institution has been striving to promote high standards in technical education to aid in the career building of many students who step into its portals. Through diverse programs and updated curriculum by imparting industry exposure and hands-on skills, VFSTR trains its students into competitive and global professionals, imbued with ethical consciousness and social awareness. All the departments are supported by a good mix of young and senior faculty with a rich research, teaching and industry background. The sophisticated laboratories and research centres make it one of the most preferred institutions for the aspirants of engineering studies.

(Training and Placement Cell)

**VIGNAN'S**

Foundation for Science, Technology & Research

(Deemed to be **UNIVERSITY**)

-Estd. u/s 3 of UGC Act 1956

## ABOUT CIVIL SERVICES COACHING

There is allegation that engineering students generally have low emotional and social quotient and lack critical thinking, higher order thinking and communication skills. Therefore, to imbue these essential traits is imperative not only to make them better human beings but also to improve their employability. There are predictions talking about millions of unemployed people in the next decades—primarily due to the impact of Intelligent Automation and A.I. systems. In such scenarios, young graduates must equip themselves with multitude talents to overcome the uncertainty and secure a meaningful job which not only provides avenues to contribute to the development of society and but also for professional growth. India's most coveted government jobs like IAS, IPS, IFS etc. provides such avenues where one can contribute to society as well as excel in professional career.

## COURSE OBJECTIVE

- To prepare the students for various competitive examinations.
- To make students thorough and provide them with conceptual clarity on the various components of general studies.
- To make the aspirants of civil services well versed with current events of national and international importance
- To enhance their ethical decision-making skills.
- To hone the writing skills of the aspirants

## COURSE OUTCOMES

*Upon completion of the course, the student will be able to achieve the following outcomes:*

- Enhance the employment opportunities of the students for the competitive examinations.
- Equip the student with analytical tools to understand the historical, socio-economic, political dynamics and geographical features of the India.
- Bridge the gap between science and society.

### COMPREHENSIVE REPORT ON

### Programmes conducted by Civil Services Academy for the AY 2018-19

1. Although Artificial Intelligence dramatically improves our world in many ways, there are notable concerns regarding the forthcoming impact of A.I. on employment and the workforce. There are predictions talking about millions of unemployed people in the next decades — primarily due to the impact of Intelligent Automation and A.I. systems. In such scenarios, young graduates must equip themselves with multitude talents to overcome the uncertainty and secure a meaningful job which not only provides avenues to contribute to the development of society and but also for professional growth. India's most coveted government jobs like IAS, IPS, IFS etc. provides such avenues where one can contribute to society as well as excel in professional career.
2. The coaching for such competitive exams has to be planned comprehensively and meticulously. Keeping in the mind the demands of the Civil Services Exam and cut throat competition, a 500 hours coaching plan is contemplated to train the students of VFSTR.
3. This coaching programme is floated to 2<sup>nd</sup> year B.Tech students it will take at least 3 years to complete 500 hours of coaching without impacting their regular academic work.
4. The programme for this batch was started on 9-June 2018. A total of 152 highly motivated students were registered for programme. 275 hours for the students registered in 2018-19 and 275 hours for the students registered in 2017-18.
5. Keeping in view the demands and pattern of the examination, comprehensive coaching was delivered for both preliminary and mains stages of the examination.
6. Various components of general studies like History, Art and Culture, Geography, Economy, Polity, International Relations and Internal Security, Science and Technology, Environment, CSAT etc are covered.
7. Sri A Sridhar Babu, I.A.S (Alumnus of Vignan's Engineering College) gave his inputs to strengthen the programme and to motivate students.
8. The training is overseen by VCSA team Prof (Dr.) A. Sharada, B.Wiggins, Traiiner for Civil Services Mr Abdul Moid, Asst Prof Ms K Uma Maheswari Asst.Prof.K Vijaykanth, Asst Prof, and Mr. Ch. Ravi Kiran, Asst. Prof
