DAY CARE CENTRE IN THE UNIVERSITY

- Day care centre of the university provides supervision and care of infants and young children during the day time, particularly that the faculty members with infants or young children can hold their jobs without much stress.
- The centre is managed by the management committee constituted by the university authority under nodal supervision of Registrar.
- The main objective of this centre or scheme is to provide day care facilities to the children of age group of three months to six years of the working parents, students and visiting guest of the university.
- The facility is also extended for the child of research scholars and local community working parents in the vicinity of the university.

Infrastructure details:

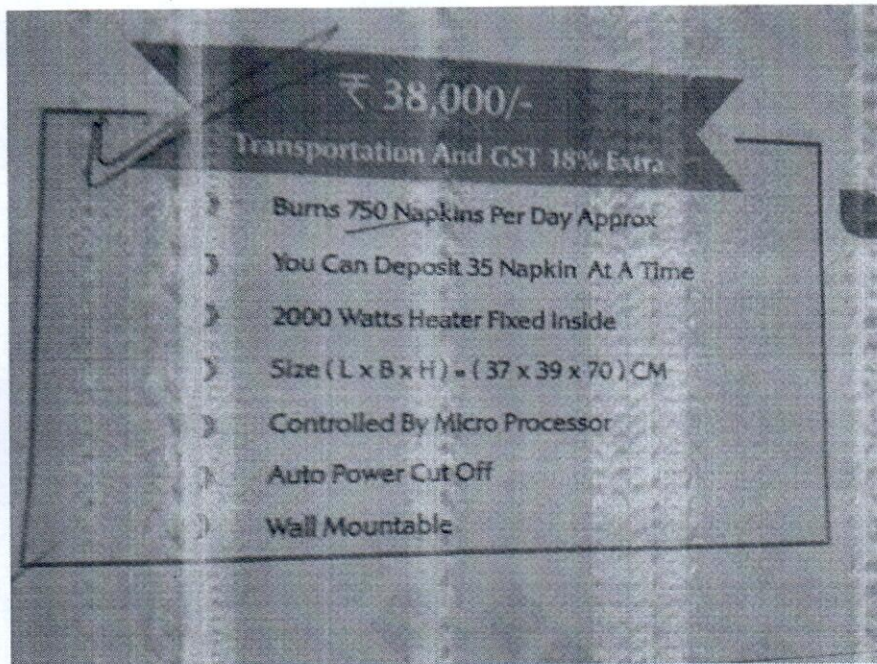

- The day care centre is running with a number of play toys that have been procured during the previous year.
- Some of the infrastructure along with the play toys for cognitive and physical development of the children.
- Timings of the day care centre will be from morning 8.00 am to evening 5.00 pm.
- Care takers are available throughout the timings for taking care of the children for various supports, includes receiving of the children from parents, distribution of fruits in between and feeding the children in the breakfast, lunch and snacks sessions.
