

## Independence Day celebrations in the varsity

“Money should not be the motive to the young Engineers” was stated by the Chief Guest Ms. Samhitha CEO of Green Solutions from department of architecture in the Independence Day Celebrations organized in the university by Students Activities Council(SAC).

She advised the young engineers to identify their strengths and passion and convert into their identity and help the nation prosper .

Chairman of Vignan group addressed the gathering and explained about the importance of “Make in India”.

He mentioned the importance of the youth who plays a major role in the development of the nation.

The dignitaries felicitated the chief guest and honoured her . This Independence Day was celebrated by the students by cultural activities ,NCC parade and the Taekwondo performed by the students .

The event organized was successful and became one of the memorable day of the year by displaying the glory of the nation and our flag.
