

TCS Orientation Session: Employability Skills and Technology Trends

TCS delegates had a very interactive session with the students of Btech final year from all the departments. They were all in praises for VU students as they found them very interactive and professional in their approach . The Student Placement Volunteers had a close interaction with the delegates and learnt the intricacies of professions. The event started at 9.30 A.M with the felicitation of TCS delegates in Sanskrithi Hall . The session started with the TCS speakers from 10 AM at VU and Vignan's Lara parallely . The afternoon session was at Vignan's Nirula from 02:30PM to 05:30PM.

Our hearty gratitude to the TCS delegates:

Hari Gorantla - 19 years of TCS experience. BI Solution Architect for Enterprise Solutions Business Analytics group.

VelugondaReddy Venna - 15 years of over all IT experience with 8 years in TCS. Presales consultant for Enterprise Solutions Business Analytics group.

Bharath Reddy D - 15 years of IT experience with a decade in TCS. Expertise on BI & DWH. Representing as BI Solution Architect for Telecom practice.

Aditya Kumar K - 18 years of TCS experience. BI Solution Architect for Enterprise Solutions Business Analytics group.

We look forward to see our students rise in success in TCS soon.
